Typically shows are 45 minutes in length, with a flat cost of \$850 (regardless of audience size), and we are always happy to work with groups to design a show that best fits the group or event, time, and budget.

## **FREQUENT ASKED QUESTIONS**

### **How does this work online?**

We typically host our online workshops on Zoom, since its breakout rooms feature helps us keep workshops engaging and interactive, regardless of group size. If your organization does not permit training sessions over Zoom, then we're happy to work with you to adapt our training to the video conferencing platform of your choice.

No deposit is required, and payment is due within net 14 days after we deliver the workshop. We can accept payment by check or credit card.

### **What if this doesn't fit my budget or schedule?**

WIT is a mission-driven nonprofit, and we will do our best to design a workshop or performance that fits your goals, schedule, and budget.
